

Agency of Intellectual Property
INTELS

About our firm

«Agentura INTELS Latvija» was founded in 1993 as one of the first Latvian intellectual property agencies. It is a part of an international network INTELS Group S.A., administrative and financial center of which is located in Luxembourg.

Many years of experience and focused specialization led us to the possibility to concentrate on the development and improvement of professional and organizational level, as a result «Agentura INTELS Latvija» is included in the list of leading companies in the field of protection and enforcement of intellectual property in the European Union. All experts of the agency are fluent in Latvian, English and Russian languages, some of them are members of the Latvian Association of Patent Attorneys, INTA, MARQUES, ECTA and AIPPI. Repeatedly they have been recognised by international ratings as the best in Latvia.
